MEN'S SIZE CHART

MADE TO ORDER:

KL-KA-LOCH - LOCHAN KILT - How to Measure:

Waist and Hip measurements - Firm measurements of both natural waistline and hip at fullest to be provided. Waist measurements should be taken over a shirt.

Length measurement - From the natural waist level down to the middle of the knee-cap.

Please Note: Kinloch Anderson will add 5cm/2" to your provided length to give the overall finished kilt length, this is called the 'Rise' and when worn the Kilt will sit above the natural waistline, neatly underneath the ribcage. e.g/ if your provided length is 22" the finished Kilt will measure 24" waist edge to hem edge
